

STANDING RULES FOR THE NEW JERSEY EMERGENCY COMMUNICATIONS TEAM

Standing rules are published resolutions passed by the members at a regular meeting that affect or expand the administration of the club as authorized and in keeping with the Constitution and/or By Laws for the club. This is a summary to remind members of changes that have been approved to regulate and/or determine procedures not previously defined in those documents. Resolution number refers to the year and month the resolution was approved, hence the meeting minutes can be referenced.

Standing Rules will also incorporate policies established by the Board about certain procedures that may affect policies on the usage of club resources and how the club operates in various situations.

2018-12 Resolution ----Yearly dues for REGULAR MEMBERS: \$35

2019-12 Resolution ----Designated 146.550 as official simplex channel for our club

2022-4 Resolution ---- Discount the yearly dues for REGULAR MEMBERS by \$5 if current proof is provided of membership in the ARRL at the time of payment.

2022-12 Resolution ----Pro-rates the dues when a new Regular Member joins. Dues will be charged for the rest of the full months of the current year. Current members will be charged annually due no later than January 31st of the coming year. ARRL discount applies to new and current members.

Board Policies

EMAIL LIST SERVER: Used for the business and normal communications and operation of the club and for members to interact. Members might be moderated if they use the server for communications not intended for members or for posting unsolicited recurring notices or announcements not relevant to the club. A sale of amateur radio equipment and related items is allowed from person to persons, but no business sales are allowed.
